IEEE's Member-Get-A-Member Program - the member benefit that pays

The value of your IEEE network increases with each new member. As an IEEE member, you have insight into the benefits and opportunities provided through IEEE membership. Share this experience with others and be rewarded with up to \$90 in savings when you renew your membership.

IEEE's Member-Get-A-Member (MGM) program offers incentives for each new member you successfully recruit, which can be applied toward 2009 IEEE dues, IEEE Society fees or the purchase of IEEE products and services. The 2009 MGM program, effective 1 September 2008 through 15 August 2009, offers the following incentive schedule:

For our Professional members:

- o Receive \$15 for each Professional member you successfully recruit

For our Student & Graduate Student members:

- o Receive \$2 for each Student or Graduate Student member you successfully recruit
- o Receive \$15 for each Professional member you successfully recruit

Your local Section and IEEE Region may also benefit - visit www.ieee.org/mgm for details.

Program Rules:

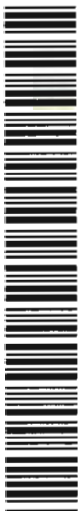

1. Only open to current IEEE members (Society affiliates are not eligible).
2. Completed applications (either print or online), with full dues payment, must be submitted with the recruiter's name and membership number in the proper recruiter box that is provided on the application.
3. Applications received without recruiter's membership number will be disqualified - there will be no retroactive qualifying of recruiters.
4. The MGM program may not be combined with other membership incentive programs or discounts.
5. Applications must be received at IEEE before 15 August 2009.
6. ~~Maximum Individual Earnings - \$90.00 annually~~

*Professional members are not eligible to receive incentives for recruiting IEEE Students or IEEE Graduate Students. All amounts are quotes in US Dollars. Recruiters will be notified of their incentives earned in October 2009. Incentives will be valid toward IEEE dues, IEEE Society fees, IEEE products and services. IEEE MGM incentives are not redeemable for cash and will expire on 31 December 2009.
